RHO Memo #3

MEMORANDUM FOR: All NE Staff and Branch Chiefs
SUBJECT: NE Division History

1. Attached is a proposed partial Table of Contents for the series of essays that are to constitute the NE Division History. "I. Introduction" and the titles prefaced by capital letters each constitute a separate monograph. Naturally, these will be varying lengths.
2. Aside from the histories of the various Stations and Bases, which are mostly to consist of succinct chronological summaries, criteria vary for selecting the topics of the various supplementary monographs. For the most part, their subject matter will relate to some operation that is outstanding for productivity, size, or operational lessons taught.
3. Addressees are requested to review this Table of Contents carefully, suggesting such additions as seem appropriate, remembering that the greater part of our operations will be covered in the separate Station and Base histories.
4. Responses to this memorandum are requested by 11 August 1965.
